I don't 'own' the old Team, so I cannot actually 'manage it'...so, I advise that each of you "leave the team" for the old Team to prevent making inadvertant adds/changes there instead of the new Team.

Thx

**Subject:** Lung Manuscripts Team  
**Importance:** High

I had to create a new 'Team' so I could add Todd as 'guest'...please confirm you got 'invited' and can get in...its called "Lung Manuscripts Refreshed"

When I get confirmation, I am going to shut down the old one so there are not cross postings to wrong place.

Thx, Tala
